I&P

Welcome to this set of study guides on the plan of salvation. You will be using the book *Steps to Christ* by Ellen G. White as your textbook.

Study Questions: The questions in this section focus your study on the chapter in *Steps to Christ*.

Thought Questions: These are additional questions that might arise from a study of the chapter. Add your own questions as you study the chapter.

Problem Solving: This is practice in applying the principles of the plan of salvation to actual real-life situations.

Additional Exercises: Additional exercises are provided for those who want to do more than the regular lesson provides. Included are a list of things to be thankful about, additional selections to read and topics to research.

Ellen G. White quotes: Selections from the writings of Ellen White supply additional clarification to the topics of this chapter.

Quizzes: The quizzes are designed to be open *Bible/Steps*, and if desired you may take it with others as a group activity.
